MTA: MICHIGAN TRANSFER AGREEMENT

The State of Michigan has developed an agreement to facilitate transfer from community colleges to four-year universities. The agreement provides for transfer of up to 30 credits to meet many general education requirements at Michigan four-year public universities. To complete the MTA, you must successfully complete at least 30 credits with a 2.0 GPA (grade C) in each course. **A grade of C- or below will not transfer.**

Visit wccnet.edu/mta for more information.

Articulation Agreements

WCC has select [articulation agreements](#) with four-year universities. These agreements allow students to fully understand the credits they can take at WCC and the credit options they have at the partnering institution.

2+ 2 Agreement: 60 credits at WCC then transfer to complete last 60+ credits to earn a bachelor's degree.

3+1 Agreement: 90 credits at WCC then transfer to complete last 30+ credits to earn a bachelor's degree.

These arrangements specify that programs at one institution are accepted by another institution without loss of credit for the student. (Curriculum taken from the articulation webpage)

SEVIS

www.ice.gov/sevis

SEVIS = Student and Exchange Visitor Information System

- Mandatory online database that holds your information
- Creates electronic Form I-20
- Reports changes in student records to verify Form I-20 status
- Links US Embassies to Port of Entry to local immigration offices
- Used to authorize student transfer or employment

Your electronic SEVIS record includes:

- Personal information (name, address, birth date, citizenship, etc)
- Financial information (tuition costs, sponsorship)
- Program information (degree, major, dates of study)
- Family information (dependents)
- Immigration information (passport, visa numbers and expiration dates, travel dates)
- Registration and employment information

Your Form I-20 document includes:

- SEVIS ID number
- Other items similar to above list (personal, financial, program information)
- Important status dates
- Signatures required for travel

SEVIS registration

- Your SEVIS Form I-20 only verifies that you are eligible to attend WCC. In order to become active in the system, registration data must be entered after the semester starts.
- WCC must report your course registration to SEVIS within 30 days after the start date on your I-20. You must be registered in 12 credits by the first day of the semester (waitlisted classes do not count!)

SEVIS record

- Once you're an "active" student, WCC must monitor all "reportable event" changes
- WCC must report changes to SEVIS within 21 days
 - Change in name, address, enrollment (under 12 credits), degree/major
- Employment authorization

Santorini, Greece

Venice Italy

Mount Kirkjufell, Iceland

F-1 VISA REGULATIONS

Insurance

Medical insurance with a medical evacuation and repatriation clause is required of all F-1 students and any dependents. You will be required to maintain coverage throughout your entire stay at WCC. Registration will not be permitted if your insurance is not satisfactory.

Four Basics

1. Twelve credit minimum in your field of study in fall and winter semesters (summer enrollment is optional)
 - Submit the required insurance along with the Registration Request Form each semester you wish to register for classes. The link to this form will be emailed to your WCC email when admission is complete.
 - Register and pay for a minimum of 12 credits. WAITLIST does not mean you are enrolled and the class will not count toward your 12 credits. Failure to enroll in a minimum of 12 credits by the 1st day of the semester could jeopardize your F1 status.
 - Only one three-credit-hour online class per semester can be used towards full-time enrollment
2. Make degree progress
 - Complete and receive a letter grade in 12 credits, does NOT include a "W" withdrawal, "AU" audit or "I" incomplete
3. NO unauthorized employment
4. Maintenance of SEVIS regulations

Violation of F-1 status

1. Do not drop any classes without discussing options with the Office of Admissions.
2. Do not stop attending class!
3. When you do not comply with USCIS regulations, WCC is required by law to terminate your SEVIS record.

TRAVELING OUTSIDE THE U.S.

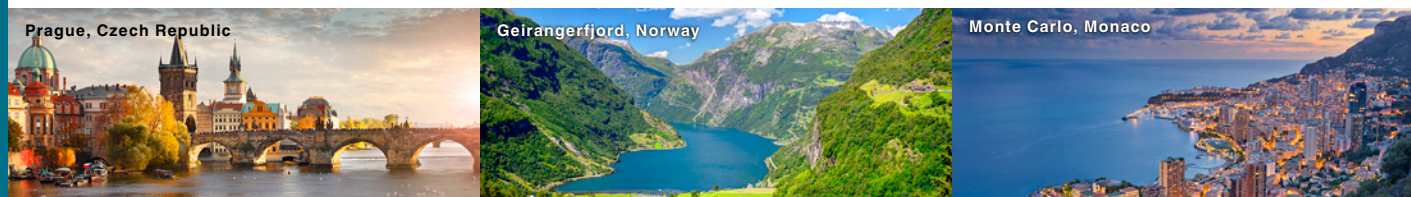

To re-enter the US, you **MUST** have the following:

1. Valid I-20 signed on page 2
 - Travel signature is valid for one year
2. Valid F-1 Visa
3. Passport with six months validity

Traveling to Canada

For citizens of some countries, you may need a visa to travel to Canada.

Check at: cic.gc.ca/english/visit/visas.asp

SEVIS REGULATIONS

Completion of study:

F-1 students are admitted into the US for the 'duration of status'. This requires you to be pursuing a full course of study (12+ credits) and/or an authorized curricular/optional practical training. A 60-day grace period exists upon completing your degree requirements (beginning on the last day of the semester) or the approved optional practical training dates. Before the grace period ends, you must: depart the country, transfer your SEVIS record to another institution, or formally change your immigrant status. If you do not complete degree requirements, there is no grace period. You will be required to meet with Devin for completion of the I20 Extension Request Form (extensions are granted based on the student's degree progress and require that the student has properly followed the degree coursework). New updated financial documents will also be required.

Transferring out of WCC:

In order to have your SEVIS record transferred to another institution, you'll need to submit a request with the Office of Admissions. We can complete multiple transfer forms, however WCC can only release your USCIS-SEVIS record to one institution. When you have been accepted and chosen your new transfer institution, please make an appointment with the Office of Admissions prior to the last date of the current semester you're taking classes to release your SEVIS record. Once your SEVIS record is released, your new college will be able to issue your new I-20.

Expiring I-20:

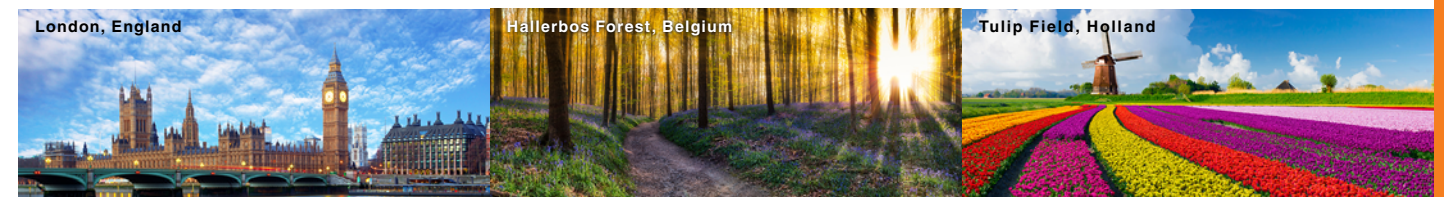

DO NOT LET YOUR FORM I 20 EXPIRE! It is your responsibility to monitor expiration dates of all your immigration documents. F-1 students must request a 'transfer release' or I20 extension BEFORE the last day of the semester your Form I20 expires. Please allow a minimum of 6 weeks when requesting an extension.

Reinstatement:

Failing to maintain a full-time course load will be a violation of your F-1 status. If you fall out of status, you'll need to make an appointment with the Office of Admissions immediately. You may be eligible for reinstatement if:

- You have not been out of status for more than five months at the time of the request
- You are currently pursuing a full course of study
- You have not engaged in unauthorized employment
- You are not in removal proceedings
- The violation of status resulted from circumstances beyond your control

Please be aware that requesting reinstatement is not guaranteed. It costs \$370 and \$85 for Biometrics fee and USCIS will make a final decision.

REDUCED COURSE LOAD (RCL)

Less than full time enrollment must be pre-approved by WCC—no exceptions!

1. Academic difficulties— “initial difficulty with English language or reading requirements, unfamiliarity with US teaching methods, or improper course level placement”

- Only one authorization per program level
- Six credit minimum

2. Medical conditions— Student must present DSO with documentation from licensed medical doctor, licensed Doctor of Osteopathy or licensed Clinical Psychologist

- Cannot exceed 12 aggregate months per program
- No credit minimum

3. Completion of course of study— Student may take fewer than 12 credits if necessary to complete program/degree

- One credit minimum
- On campus class!

Reminder: Dropping below 12 credit hours without prior approval during the fall and winter semester will violate your F-1 student status.

F-1 EMPLOYMENT

On campus employment

- Part-time during academic semester (20 hr/week or less)
- Full-time during breaks (40 hr/week)

What you need:

- Job offer from campus
- Authorization from WCC
- Social Security Card

Off Campus Employment-OPT

- Optional practical training
 - After completion of degree (full-time, 60 days of unemployment)
 - Up to 12 months total
 - Directly related to field of study
- Economic hardship
 - 12 months only
 - Any field of study

What you need:

- One year in F-1 status
- Authorization from WCC
- Authorization from USCIS: EAD card
- Social Security Card

Taxes:

All students whether employed or not are required to file taxes with IRS on or before April 15.

Earnings from approved employment are subject to applicable Federal, State and local taxes. Watch for email from International Student Advisor.

New students turn in copies of passport, visa, electronic I-94 and I-20
