

DUAL ENROLLMENT

WASHTENAW COMMUNITY COLLEGE

College ready high school students are able to earn college credit by attending college classes at WCC while still attending high school. All credits earned through dual enrollment will be part of the student's official Washtenaw Community College transcript.

Students must meet all of WCC's admission requirements, including testing at college level, before registering for classes. Dual enrolled students are eligible to register for any courses for which they meet the prerequisite. All dual enrolled students need approval from their high school, no matter if the high school will be paying for the courses or not. If the high school will be responsible for payment, speak to your high school counselor to determine what courses you are authorized to enroll in. A separate payment authorization needs to be submitted in addition to the principal/counselor approval form.

BENEFITS OF DUAL ENROLLING INCLUDE:

- Reducing costs for a college education
- Preparing students for college work and reducing the need for developmental coursework
- Acclimating students to the college environment

FAQ

WHAT IS DUAL ENROLLMENT?

A student is considered dual enrolled if they are taking college courses while still enrolled in at least one high school course. The courses taken at Washtenaw Community College will always be a part of the student's official college record. Washtenaw Community College does not issue a high school diploma.

ARE THERE LIMITATIONS ON COURSES DUAL ENROLLED STUDENTS CAN REGISTER FOR?

WCC does not limit the types courses dual enrolled students are eligible to take. Dual enrolled students must meet Academic Levels 6 in both Reading and Writing to be eligible for dual enrollment. Students should meet with their high school guidance counselor to discuss the school district's policies on number and type of dual enrollment classes. Please review the Michigan Department of Education site on course limitations.

WHO PAYS FOR MY CLASSES?

Most public schools pay for their student to dual enroll. However, any tuition, fees and textbooks not covered by the high school will be the responsibility of the student/family. Payment or payment authorization must be turned in to the WCC Cashier's Office by the appropriate payment deadline. For non-public school students, the State of Michigan determines what dollar amount, if any, it will pay per course. Any tuition, fees and textbooks not covered by the State of Michigan is the responsibility of the student/family. Payment or payment authorization must be turned in to the WCC Cashier's Office by the appropriate payment deadline.

I'M HOMESCHOOLED, IS THERE ANY ADDITIONAL INFORMATION I NEED TO PROVIDE?

Homeschool students need to complete the Admissions Checklist prior to registering for classes. For information on who pays for tuition and fees as a home schooled student, please review the MDE Dual Enrollment FAQs.

I'VE TAKEN PLACEMENT BUT DO NOT MEET THE NECESSARY SCORES.

Dual enrolled students must meet Academic Levels 6 in both Reading and Writing to be eligible for dual enrollment. We accept a combination of placement tests to reach the necessary levels. If you've taken the ACCUPLACER and wish to retake one, or both portions of the test, please review the retest policy.

WHERE WILL I TAKE MY DUAL ENROLLMENT CLASS?

Students can take dual enrollment classes at WCC main campus, WCC extension sites, Online or at certain high schools. Most dual enroll classes will follow the WCC Academic Calendar.

IF I DECIDE TO DROP OR WITHDRAW FROM A COURSE, WHAT DO I DO?

Speak with your high school counselor immediately. Courses must be dropped by the appropriate drop deadlines (see our website for specific dates) and will not show on your WCC transcript. If you choose to withdraw from a course (leaving a course after the drop deadline but within the Withdrawal deadline) you will receive a W on your WCC transcript.

IS FINANCIAL AID AVAILABLE FOR DUAL ENROLLED STUDENTS?

No, according to federal guidelines, dual enrolled students are not eligible for financial aid. However, poor performance in dual enrolled classes may impact future financial aid eligibility. Students may apply for financial aid once they have graduated from high school.

HOW DO I GET A WCC TRANSCRIPT?

Students can view their unofficial WCC transcript through their MyWCC account. Students can order official transcripts through their MyWCC account.

WHERE CAN I FIND INFORMATION ABOUT MY STUDENT ACCOUNT?

Students can access their account Online through the WCC Gateway. After logging in, select MyWCC and navigate to the Student Services Dashboard. Under Account Information, select Account Summary for an overview of your account or select the option to view your information by term.

WHAT IS THE FORM 1098-T AND WHY WOULD I RECEIVE ONE?

As required by the Internal Revenue Service (IRS), eligible educational institutions file Form 1098-T for each student enrolled for whom a reportable transaction is made. The student or person eligible to claim the student as a dependent may be able to claim an education credit on IRS Form 1040. Form 1098-T is required to support any claim for an education credit. A Form 1098-T is required to be issued to any student with reportable transactions, even in cases where the student's tuition is paid by a third party, i.e. a school district.
